PATCHA VIJAYA SRI

patchavijayasri@gmail.com | 9347607932 | Guntur, Andhra Pradesh.

Summary

Driven and proactive individual with a strong foundation in JavaScript, HTML, CSS, and Core Java. I am passionate about web development and have practical experience building a functional to-do list application, demonstrating my ability to create responsive and user-friendly interfaces. Currently expanding my skill set to include backend technologies like Node.js and Express.js while actively honing my problem-solving abilities on platforms like LeetCode. I am eager to apply my foundational knowledge and passion for integrating AI into web applications in a dynamic tech role.

Education

Vasireddy Venkatadri Institute Of technology   Aug 2023 – Present
B.Tech ·Artificial Intelligence And Machine Learning   CGPA : 8.05

NRI Junior College   Jun 2021 – Apr 2023
12th · BIEAP   Marks : 971/1000

Skills

Skills: JavaScript, Java (core), HTML, CSS, Data Structures and Algorithims, Problem Solving Skills, SQL(ORACLE)

Projects

Interactive To-Do List Application

- Developed a dynamic front-end application using HTML, CSS, and pure JavaScript.

- Implemented core functionalities including adding, deleting, and marking tasks as complete.

- Demonstrated an understanding of DOM manipulation to dynamically render and update tasks.

- Applied event handling to manage user input and interactions for a responsive user interface.

- Wrote clean, modular code with distinct functions, showcasing a focus on fundamental programming principles.
